exploration of the relationship between the design of housing and domestic routine

fold over pages reveal homes from a roman apartment an egyptian house a medieval castle and a stone age home 4 8 yrs

this volume in the nearby history series helps the reader document the history of a home the reader will learn to examine written records oral testimonies visual sources and the house s surroundings the author covers american housing patterns the individual characteristics of houses in different regions construction techniques and materials household technology and family life styles houses and homes is volume 2 in the nearby history series

a hays town changed the face of the louisiana house in a career that includes designing more than five hundred homes he led architects builders and homeowners to embrace the finest elements of louisiana s architectural past almost every home built in louisiana during the last twenty years is in some way inspired by town s work the louisiana houses of a hays town honors his legacy as louisiana s premier residential architect color photographs of numerous homes including town s own by philip gould combined with an illuminating text by cyril e vetter produce a volume that captures the appeal and beauty of the state s finest architectural tradition born and raised in rural southwest louisiana hays town graduated from tulane university with a degree in architecture in 1926 and worked for a firm in jackson mississippi for many years he established his own successful commercial practice in baton rouge in 1939 but in the 1960s town turned to his abiding passion residential architecture throughout this chapter of his career he perfected his inimitable style and emerged as one of the most prominent architects in the south town s residential designs are perceptibly influenced by the diverse culture of south louisiana his synthesis of the classic acadian cottage spanish courtyards and exterior french doors with creole influenced full length shutters achieves an original confluence of seemingly disparate yet elegantly balanced themes and forms other town trademarks include pigeoniers tree alleys thirteen foot ceilings heavy use of

such woods as cypress and heart of pine plantation style separate structures and brick floors with a special beeswax finish the louisiana houses of a hays town illuminates the momentous effect town has had on the look of louisiana crafted from the perspective of two people vetter and gould who are not architects but admirers of one man s exceptional talent this delightful book demonstrates that each town house is a work of art that fits both person and terrain at the door of each home proud owners hang a bronze plaque that says it all a hays town architect

a rich narrative that blends social commentary with incisive reporting house lust offers an astute funny and sometimes disturbing portrait of the behaviors that drove the greatest real estate boom in history and its eventual bust owning a home has long been considered the fulfillment of the american dream but in the last decade as the real estate market boomed americans fascination with homes turned into a frenzy everywhere we turned people were talking about scheming over envying shopping for refinancing or just plain ogling houses in the process we ve transformed shelter from a basic necessity into an all consuming passion in house lust newsweek s daniel mcginn travels the country to explore the roots of this mania even as the real estate boom has turned to bust americans remain obsessed with houses many of us are still trading up adding on or doubling down to buy vacation property but for others this zeal for housing has carried a painful price one that s evident in the soaring foreclosure rates and mounting despair as millions of homeowners and their lenders realize they ve stretched too far to buy the home of their dreams in a compelling narrative that takes us inside the homes and psyches of the house lust afflicted throughout the nation mcginn examines the forces that turned housing into the talk of dinner parties he explores the arms race for square footage and introduces readers to a menagerie of characters from the real estate world from renovation psychologists who treat remodeling addled clients to a guy who trades vacation time shares the way kids trade baseball cards mcginn also jumps into the fray himself by enrolling in real estate school and buying an investment property sight unseen over the internet house lust shows us just how contagious the ideal of owning the best home on the block can be and as the real estate boom recedes into memory mcginn offers cautionary tales to help us curb our lust when prices start rising again

features detailed bas relief collage spreads of dwellings in other world regions and historical times to explain how different people live and have lived from a village house in south africa to a floating green house in the netherlands

the world is full of houses big houses and little houses houses that stay in one place and houses that move from place to place some houses are made of wood or stone others are made from mud or straw but all of them are made for families to live in

using high low popular culture garber crafts a study of how we relate to ideas of home house both in fact in fantasy

it was the american dream by mail order smithsonian americans have ordered from sears roebuck just about everything they have needed for their homes for 100 years but from 1908 to 1940 some 100 000 people also purchased their houses from this mail order wizard sears ready to assemble houses were ordered by mail and shipped by rail wherever a boxcar or two could pull in to unload the meticulously precut lumber and all the materials needed to build an exceptionally sturdy and well designed house from philadelphia pa to coldwater kans and cowley wyo sears put its guarantee on quality bungalows colonials and cape cods all with the latest modern conveniences such as indoor plumbing houses by mail tells the story of these precut houses and provides for the first time an incomparable guide to identifying sears houses across the country arranged for easy identification in 15 sections by roof type the book features nearly 450

house models with more than 800 illustrations including drawings of the houses and floor plans because the sears houses were built to last thousands remain today to be discovered and restored houses by mail shows how to return them to their original charm while it documents a highly successful business enterprise that embodied the spirit and domestic design of its time after decades of obscurity sears houses have become chic wall street journal these were spacious solidly built homes parade don t be surprised if your own cozy bungalow turns up in the book philadelphia inquirer a nostalgic and informative look at the tastes of americans in the years before world war ii publishers weekly the bible to researchers of sears ready cut homes saturday evening post

many of the historic houses in and around the town of victoria texas were built between 1875 and 1910 by immigrant owners from 1973 to 1975 with the support of a grant from the national endowment for the arts rick gardner traveled throughout the region taking photographs of these historic homes gardner relied on his own instincts and guidance from knowledgeable locals as to where he should aim his lens this book is an appreciative glimpse at what these vernacular houses looked like a century after their construction gardner has teamed up with victoria historian and preservationist gary dunnam to present these rich images along with brief historical sketches of the houses and where possible the persons who occupied them when they were newly constructed the result is an understated and elegant suggestion of what life may have been like for the merchants bankers agriculturalists and others who built and lived in these homes during the late nineteenth and early twentieth centuries designed to appeal to those with a love for old houses and especially for the preservation of historic structures all the houses were painted white offers its readers a stately appreciation of these homes and their place in the south texas landscape it is also a tribute to the architects owners and anonymous craftspeople who built the houses to their vision skill ingenuity imagination creativity and endurance

index of periodical articles selected from journals received in the national housing center library
